Finding value in the Côte de Nuits

We have to face it, good Burgundy isn't getting any cheaper – knowing where to look to find real value is becoming more difficult. Expert insight is surely the best way forward...

£28 Private Cellar

An impressive discovery. The winery is based in Prémieux-Prissey and has been in organic conversion since 2019. This bottling is produced from three parcels in Comblanchien, two of which are more than 50 years old. The fruit is destemmed and gently fermented before ageing in cask (one quarter new). Tannins are supple with enough substance to bring everything in balance. Decadently rich and silky, with forward, lush fruit. **Drink** 2022-2032
